

Vinh-Kim Nguyen MD PhD
vinh-kim.nguyen@umontreal.ca

Professeur agrégé PTG
Département de médecine sociale et préventive
Faculté de médecine
Université de Montréal
CP 6128 Succursale A
Montréal Québec H3C3J7

Chercheur
Unité de Santé internationale
Centre de recherche du CHUM
Centre Hospitalier de l'Université de
Montréal
3875, rue St-Urbain
Montréal Québec H3W1V1

Médecin
Clinique médicale l'Actuel
Centre d'excellence IST VIH et Hépatites
1001, de Maisonneuve est
Montréal Québec H2L4P9

Education and training

<i>Institution and location</i>	<i>Degree</i>	<i>Year</i>	<i>Supervisor</i>	<i>Field of Study</i>
McGill University (Montréal)	BSc	1985		Biology
Université de Montréal	MD	1990		Medicine
The Montreal General Hospital	CCFP	1992	Ann Macaulay	Family Medicine
McGill University (Montréal)		1992		Epidemiology & biostatistics
McGill University (Montréal)	MA	1996	Margaret Lock	Medical Anthropology
Wissenschaftskolleg zu Berlin	Fellow	2000	Yehuda Elkana	Social Sciences
McGill University (Montréal)	PhD	2001	Margaret Lock	Medical Anthropology
École des Hautes Études en Sciences Sociales (Paris)	Postdoc	2004	Jean-Pierre Dozon	African Studies and Medical Anthropology

Expertise key words

HIV medicine, clinical trials, antiretroviral resistance, Medical Anthropology, globalization, AIDS relief

Personal support awards

1996-2000 SSHRC Doctoral Fellowship
2001-2003 SSHRC Post-doctoral Fellowship
2003-2008 CIHR New Investigator Award

Grants held

2002-2003 Community-based access to HIV treatment in Ouagadougou, International Development Research Council (\$65 000)
2003-2005 Research allowance, Canadian Institutes of Health Research (\$50 000 pa)
2003-2004 (with S Rashed and M-V Zunzunegui) *Projet de planification pour le préparation de l'accès élargi aux antirétroviraux (Projet PAARV)*, Canadian Institutes of Health Research Program on Global Health (\$70 000)
2004-2005 (with S Rashed and M-V Zunzunegui) *Validation d'une stratégie pour identifier la résistance du VIH aux anti-rétroviraux dans les pays aux ressources limitées*, Canadian Institutes of Health Research Program on Global Health (\$95 900)
2006-2009 (with S Rashed) Building capacity to reinforce adherence to antiretroviral therapy and sexual prevention for patients in or from resource-limited settings, Canadian Institutes of Health Research Program on HIV/AIDS (\$441,100)
