# Canada-South Africa Relations

## Call For Papers

The South African Association for Canadian Studies invites scholarly contributions that focus on the Canada-South Africa Relationship.

The aim of this colloquium is to assess critically the state of the bilateral relationship taking into account historical political and economic ties. This event is expected to run in conjunction with official bilateral consultations. Limited funding available for travel.

Please submit abstracts by November 1st 2011 to [david.hornsby@wits.ac.za](mailto:david.hornsby@wits.ac.za)
